B O M B A Y.

Sir,

I beg to lay the following for your perusal and kind consideration.

After serving in the Electric Grid Depart-ment Bombay for a period of more than four and half years, I applied for my transfer to the Public Works Department. This was granted and I was posted at Karwar where I joined on the 5th of August 1953.

Soon after my arrival at Karwar I received a telegram saying that my father was seriously ill at Poona. I had therefore to go all the way to Poona with my family whom I could not bring back while returning to Karwar due to the bad condition of my father's health. I could not also bring my parents to Karwar because the Doctor advised me not to do so due to the very long distance as well as due to the unfavourable climatic conditions of Karwar, which the Doctor said would not suit them. I explained this to you in person when I saw you in Bombay on the 9th instant.

Under these circumstances, I now feel it necessary to approach you with a request to kindly transfer me from Karwar to any of the Divisions under the Superintending Engineer, Central Circle, so that I may be able to bring my parents and keep them with me in their old and sick days.

I request you to be kind enough to consider this application favourably and issue necessary orders at an early date.

Yours faithfully,

(R.M.Karandikar)
